------Happy Thanksgiving --------

As a special project for December, I would like to ask if you can trace 6 family members hands (including your child) on to paper I will provide. I hope you can squeeze them into a sheet and half of paper (12x18) Each "hand" should have the persons name on the "palm" as shown below. The tracing should end the bottom of the hand where it meets the wrist. If you have time, it would be great if they could be cut into 6 seperate hand sections, but PLEASE DON"T CUT WHOLE HAND OUT, leave some paper to be cut off as it will be their cutting for December. Thanks so much...I think you'll enjoy the finished project ! :))

Bring back Nov 28 or 29th class.
