

Community Outreach

The Spencerport Ecumenical Food Shelf is stocked and funded by the local churches, businesses, school groups and other organizations and individuals in the Spencerport area. The Food Shelf is entirely staffed by volunteers.

Need assistance?

The procedure is simple. To obtain food if you are in dire need and live in the Spencerport School District, please call this number **585-397-0290**. You will be asked to leave a message and someone from the Food Shelf will get back to you to get you information. The food will be delivered by a volunteer after a mutually agreed upon time is set up.

If the need continues, the client is eligible to receive supplies every 60 days or 4 times a year.
