Community Emergency Response Team - CERT

In an effort to provide our residents with current emergency information we are partnering with our Monroe County colleagues to provide you with current assistance to prepare for an emergency and to stay safe during an emergency.

The Town of Ogden supports the Community Emergency Response Team (CERT).
The CERT team consists of citizens trained in basic disaster survival and rescue techniques to improve survivability until first responders arrive. CERT training is designed to prepare participants to help themselves, family, and neighbors in the event of a catastrophic disaster.

For CERT training information within the Town of Ogden, feel free to contact Officer Brett at (585) 617-6131 or at police@ogdenny.com .
