

House Checks

If you will be away from your home for a week or more, you can request that the Town of Ogden Police Department conduct a house check. The officers will check the outside perimeter including the windows and doors to make sure they are secure. They will also monitor vehicles in the driveway and check on any other structure on the property. The Town of Ogden Police Department will monitor the premises and look for any irregularities based on the information you provide.

The information you provide on the House Check form includes things such as lights on, vehicles in the driveway or garage and local contact information if there is an issue.

Just complete the form and return it to the Police Department.
