

Noise Ordinance

Town of Ogden

§ 128-11 Sound reproduction devices restricted; exceptions.

A. No person shall use or operate or permit to be used or operated any radio, television, phonograph, musical instrument or other machine or device for the producing, reproducing or amplification of sound with louder volume than is necessary for convenient hearing for the person or persons who are voluntary listeners thereto. It shall be prima facie evidence of a violation of this section if sound emanating from such machine or device is:

- (1) Audible beyond the property line of the premises upon which it is being used between the hours of 9:00 p.m. and 8:00 a.m.
- (2) Audible at a distance of 50 feet beyond the property line of the premises upon which it is being used between the hours of 8:00 a.m. and 9:00 p.m.
- (3) Audible at a distance of 50 feet from such machine or device if operated from within a motor vehicle on a public street.
- (4) Audible at a distance of 50 feet from such machine or device when operated in a public park or other public place.

B. The provisions of this section shall not apply to the following:

- (1) Funeral processions or use of such devices by a church.
- (2) The production of music in connection with any parade authorized under any provision of law.
- (3) Any musical performance upon a public place where a permit has been obtained from the Town for such purpose.
- (4) The use of amplifiers or other sound-producing activities instruments or equipment in connection with any religious or political activity, any permitted athletic competition or recreational event held on athletic fields, stadiums or public places in the Town or the activities of local nonprofit organizations.

Village of Spencerport

§ 198-11 General restrictions.

A. No person shall use or operate, or permit to be used or operated, any radio, television, phonograph, musical instrument or other machine or device for the producing, reproducing or amplification of sound with louder volume than is necessary for convenient hearing for the person or persons who are voluntary listeners thereto. It shall be prima facie evidence of a violation of this section if sound emanating from such machine or device is:

(1) Audible beyond the property line of the premises upon which it is being used, between the hours of 9:00 p.m. and 8:00 a.m.

(2) Audible at a distance of 50 feet beyond the property line of the premises upon which it is being used, between the hours of 8:00 a.m. and 9:00 p.m.

(3) Audible at a distance of 50 feet from such machine or device if operated from within a motor vehicle on a public street.

(4) Audible at a distance of 50 feet from such machine or device when operated in a public park or other public place.

B. The provisions of this section shall not apply to the following:

(1) Funeral processions or use of such devices by a church.

(2) The production of music in connection with any parade authorized under any provision of law.

(3) Any musical performance upon a public place where a permit has been obtained from the Village for such purpose.

(4) The use of amplifiers or other sound-producing activities, instruments or equipment in connection with any religious or political activity, any permitted athletic competition or recreational event held on athletic fields, stadiums or public places in the Village or the activities of local nonprofit organizations.
