Why was my vehicle towed?

There are various reasons including; driving under suspension / revocation, the vehicle was parked illegally, the driver did not have a valid license, an accident, motorist driving under the influence of drugs or alcohol, for investigation and evidence, or at the Officer's request.

What documents do I need to bring with me?

The officer will give you a tow slip with the owner's information, the reason for towing, the location the vehicle was towed to and other information. There are three statuses for vehicles towed.

1. Release upon presentation of proper papers. – The registered owner can pick up the vehicle after presenting photo ID and a valid driver's license.
2. Hold for evidence / investigation – The officer will release the vehicle once the tech work is done. The registered owner will need to provide photo ID and a valid driver's license to pick up the vehicle.
3. Hold until release authorized by Ogden Police Department. – This usually refers to multiple suspensions and / or Aggravated Unlicensed Operation tickets. The vehicle must be held until the District Attorney and / or judge releases it.

How can I get property out of the vehicle?

Before the vehicle is towed, the officer will give the driver the chance to take any property out of the vehicle. Once the vehicle is secured at Jim's service, no property can be removed until the towing fees and daily fees are paid.
