Children in the program are entitled to a safe and secure environment. This means that no child may jeopardize the well-being of his/herself or any other child or staff, in the program. All participants will be introduced to the program rules and reminded of them when necessary. Positive behavior will be encouraged. Our efforts will be to help children identify inappropriate behavior and teach them to redirect their actions in a positive way. If behavior issues are continuous with a child, parents will be notified to discuss the situation. If negative behavior continues and becomes disruptive to the program as a whole, we reserve the right to remove the child from the program either temporarily or permanently depending on the severity of the situation.

Parents will be kept informed of issues as they arise and may be asked to follow through at home in special situations. Communication between staff and parents concerning any changes in the child's routines will enable us to work as partners to provide the best care for your child.

Our Summer Camp Program Behavior Management Policy is designed to assist the Summer Camp Program staff in creating an atmosphere that is safe and fun for all participants. Ogden Parks and Recreation reserves the right to remove a participant from the program as well as limit participation as deemed necessary. Each situation will be handled on an individualized basis. Refunds or credits will not be issued if a child is suspended or dismissed for inappropriate behavior.

Some methods of positive reinforcement will include:

1. Verbal Warning to Child
2. Yellow Light "Think About It" Sheet
3. Red Light "Disciplinary Report" Sheet

Inappropriate behaviors may result in one or all of the following consequences:

- Parent conference with Summer Camp Supervisor and/or OPR Director
- Loss of privileges (e.g. participation in activity, special event, or field trip)
- Suspension from the program
- Immediate pick-up by parent
- Immediate termination from Summer Camp

Our goal is to work together to ensure the safety and well-being of each other for a successful program.

**BATHROOM POLICY:** Children must be completely potty trained (indicating verbally that they need to use the bathroom, and independent while in the bathroom) and pull-up free. If your child does have an accident, we may call you to come and change them.

**MEDICATION:** We ask that any medications your child requires be administered at home, before or after camp. Please apply sunscreen and/or bug spray prior to coming to camp. Camp staff members ARE NOT permitted to administer medications or apply sunscreen/bug spray. The following guidelines are in place for those requiring emergency medications:

- EpiPen or inhalers may be left with the Camp Director.
- Medical Authorization form (in registration packet) must be signed by the parent/guardian.
- A copy of any prescriptions must be attached to the Medical Authorization form.
- Medication must be in the original package with the prescription label on it.
- Camper must be able to self-administer the medication.

**ILLNESS:** Please do not send your child to camp if they are ill. They should be able to fully participate in the program. If your child becomes sick while at the program, you will be asked to pick him/her up immediately in order to prevent the spread of illness. Following an illness, children should not return until they can resume normal activities. We may require a doctor's note before allowing a child to return to the program. This policy is not all-inclusive, and we reserve the right to send a child home for any health-related concerns.

**CAMP T-SHIRTS:** All children will receive a camp T-shirt. This shirt must be worn on all off-site trips your child attends. Shirts are ordered in advance, and some sizes may be limited; therefore, shirt sizes are not guaranteed. We will do our best to match your child up to a comfortable size. Please label your shirt with the child's name. Additional shirts may be purchased at a price of \$10/shirt.

**PERSONAL ITEMS/LOST AND FOUND:** Our staff will not be responsible for personal items brought to the program. Please label your child's items in case they are left behind. We reserve the rights to prohibit certain

items or toys we feel are causing a disruption to the program. We will keep lost and found items together at the camp site. Items not claimed within one week after the completion of camp will be donated or thrown away.

**IMMUNIZATION RECORDS:** Our Camp is certified through Monroe County Health Department and, as such, current Immunization Records are required with your registration form. You may obtain records from your child's school or doctor. **Registration and payment will not be accepted without immunization records.** **Due to the number of registrations that come through our office, immunization records may not be faxed.** All documents must be received upon registration in order to process enrollment.

**REGISTRATION and PAYMENTS:** The attached registration form must be completed in full. Payments must be paid to our office. Camp staff will not take any registration forms or payments at the camp site. You may pay week to week or for multiple weeks at a time. You must pay for the entire week regardless of how many days your child will be in attendance. Daily registration is not available. For each additional week your child will be attending, payment can be sent in with the coupon. Please keep records of your receipt for tax purposes. Our tax id is 16-6002328.

**DSS:** Unfortunately, our program cannot accommodate DSS payments. All payments must be received prior to the deadline in order for your child to attend this program.

**VISITORS:** Visitors are not permitted during camp hours.

**ENROLLMENT NUMBERS:** Minimum and maximum enrollment numbers are required for each camp. Camps not reaching the minimum number may be combined or cancelled. To remain in ratio and within our Monroe County guidelines, maximum numbers are in effect.

**TRIPS:** Trips are offered throughout the summer to various area attractions. All trips are rain/shine/hot/cold. In the event of extreme inclement weather, inclement weather forecasts, or other unforeseen circumstances, trips may be rescheduled or cancelled (\*refunds will not be issued). Based on enrollment numbers, some grades may go on alternate weekly trips. There are no separate fees for these trips as they are included in the cost of camp. All children will be expected to participate in the trip if they arrive at camp on a Trip Day. If you feel that your child will not want to participate in the scheduled trip that day, please have him/her stay home from camp that day. Participants must arrive at camp by 9:30am on trip days. Parents will not be allowed to drop off or pick up children at the trip site. All children are required to wear camp T-shirts for all off-site trips. Transportation is provided by the Spencerport School District. All campers are required to wear seatbelts while on the bus.
