### Time for Two's

#### May 2017 Newsletter

Dear "Time for Two's" Parents,

We had so much fun searching for brightly colored eggs filled with goodies and preparing our bunny snack mix at our Easter party. Your donations for our Easter Party were greatly appreciated.

We will be spending the month of May learning about farm animals, butterflies, birds, and how fruits and vegetables grow. We also incorporate stories and songs that teach numbers, the alphabet and friendship. We'll be making pretty peacocks, lemon drop pictures, Father's Day and Mother's Day gifts are just a few of the crafts we have planned for your children. Our science table will be filled with bird seed, farm animals playing in chocolate pudding mud, jungle fun and treasures from nature. Our dramatic play area will be set up with a lemonade stand, farmer's market, the swampy swamp, and fun in the sun picnic area throughout the month.

Please remember to check your child's mailbox at the end of each day. We put permission slips, newsletters, book orders, and crafts in the mailboxes often. If you're interested in knowing what your child does in class each day, please check the dry erase board above the mailboxes. Also when wearing boots, please remember to bring in sneakers for your child to change into. Please remember to pack diapers/pull ups in your child's backpack.

**There will be no class on Monday, May 29. for Memorial Day. We have our Springdale farm field trip scheduled for Tuesday, 5/30 at 9:00 a.m. Permission slips will be sent home soon. Our last day of class will be Wednesday, June 7. Please join us at Pineway Ponds Park on 6/9 from 11:00 to 1:00 for a family picnic. We have the Owens Lodge reserved for the picnic. Please make sure to pack a picnic lunch and bathing suits so the children can enjoy the splash pad if weather permits. Leanna and I will have cupcakes and some gifts for your children.**

**If you have any questions or concerns, please let us know. Have a great month and thank you for sharing your little ones with us!**
