ARTICLE II Temporary Blocking of Town Roads [Adopted 9-9-1987 as L.L. No. 3-1987 (Ch. 41, Art. II, of 1972 Code)]

§ 148-6. Definitions.

As used in this Article, the following terms shall have the meanings indicated:

PARTY — A neighborhood block party, celebration or event as provided in Town Law § 64, Subdivision 10-b, but shall not include a garage sale, yard sale, bazaar, rummage sale or other similar activity having the principal purpose as fundraising for an individual or organization, nor shall it include a political meeting or rally, carnival or theatrical or musical performances, such as rock concerts or similar events.

STREET — A town street, highway or road.

§ 148-7. Superintendent of Highways authorized to issue permit; application.

A. The Superintendent of Highways shall be authorized to issue a permit for the temporary blocking of a street for the purpose of holding a party. An application for such permit shall be filed with the Superintendent of Highways at least twenty-one (21) days before the commencement of such party. Such application shall contain at least the following information:

- (1) The name and address of the applicant.
- (2) The name of the street or streets and a description of the portions thereof to be blocked.
- (3) A description of the specific party to be held.
- (4) The date and the hours thereof.

B. The application may require such additional information as the Town Board shall prescribe by resolution.

§ 148-8. Fee; determining approval or disapproval of application. Editor's Note: Amended at time of adoption of Code; see Ch. 1, General Provisions, Art. I.

The application shall be accompanied by a fee as set from time to time by the Town Board, which shall be refundable in the event that the permit is denied. Such fees are kept on file in the town offices. The permit shall be granted by the Superintendent of Highways upon determining that the party is authorized by Town Law § 64, Subdivision 10-b, and this Article. The permit shall be denied if the Superintendent finds that blocking the street or portion thereof on the date requested in the application will unduly interfere with the flow of vehicular traffic or upon determining that the party is not authorized under Town Law § 64, Subdivision 10-b, and this Article. The Superintendent of Highways shall advise the applicant, in writing, of the reason for denial of the application.

§ 148-9. Permit valid only for specified date and hours.

A permit issued pursuant to this Article shall be valid only for the date and the hours specified thereon, which shall not be before 8:00 a.m. or after 11:00 p.m.

§ 148-10. Cleanup after street parties.

The applicant shall be responsible for removal of litter, debris and other materials from the street or portion thereof used for the party which is attributable to or caused by the party.

§ 148-11. Obstacles blocking streets to be movable.

A street or portion thereof blocked off for a party shall not be obstructed by obstacles which cannot be readily moved to allow emergency and hazard vehicles to enter it in response to an emergency.

§ 148-12. Limit on number of permits.

No more than two (2) permits shall be granted by the Superintendent in any calendar year for the same neighborhood.

§ 148-13. Penalties for offenses. Editor's Note: Added at time of adoption of Code; see Ch. 1, General Provisions, Art. I.

Any person, firm or corporation who shall violate any provision of this Article shall, upon conviction, be subject to a penalty of not more than two hundred fifty dollars (\$250.) or to imprisonment for a term not to exceed fifteen (15) days, or both. Each day's continued violation shall constitute a separate offense.
